Brief Chronicle of APAD:

APAD, inaugural conference held in 2004, is an organization comprising academics, practitioners as well as regulators operating in the derivative markets in the Asia Pacific region. The main objective of this association is to promote research on and increase knowledge the use of derivative securities and markets. Fully supported by

the Korea Stock Exchange (KRX) and with the help of the other participating exchanges in the Asia Pacific region, the APAD has alternated the conference venue between Busan, Korea and other places in Asia Pacific region such as Bangalore and Gurgaon, India for the past years. We will continue the tradition of alternating conference venue between Busan, Korea and other cities in Asia Pacific region.
